

The Presidio Coyote 10k Dash

Course Details:

Join us for this amazing race through the Presidio in San Francisco. The course is a 6.2 mile loop with incredible scenery and approximately 600 feet of climbing. The course starts at the end of Barnard Avenue and traverses through the El Polin Spring area via the Lower Ecology trail. The course then follows the Bay Area Ridge trail past Andy Goldsworthy's Spire and eventually past the Rob Hill Campground where the course turns south and follows the Juan Bautista de Anza trail towards the Marine Cemetary Vista. The course then meets up with the Park Trail where it goes uphill towards the golf course and meets back up with the Bay Area Ridge trail as you head back to the start/finish area at Barnard Avenue.
