

# GiveSignup

Raise More. Save Time. Save Money.

## ABOUT

---

GiveSignup powers your nonprofit's revenue generation from tickets and registration to donations and fundraising. With free websites, free email, free Facebook Fundraiser integration and more, your nonprofit can raise more and engage supporters. And the best part? It's free - no monthly or subscription fees.

- Founded in **2010**
- **9,000+** Nonprofits
- **22,000+** Events
- More than **\$1 Billion** processed
- **2,045** software releases in 2020
- **0** minutes of downtime since 2015 (when we had 7 minutes of planned downtime)

## PRICING

---

- No monthly, subscription, or hidden fees. All features are free.
- Free and unlimited access.
- We only make money when your process transactions - 4% processing fees on donations (includes platform + credit card fees). Free events are free.
- Flexible processing fees let you absorb, cover, split, or give supporters the option to cover the fee.
- Volume discount pricing available.

## FEATURES

---

- **Ticket Events:** Create free websites to sell tickets and collect donations for your next nonprofit fundraising event.
- **DIY Fundraising Campaigns:** Set up unlimited peer to peer fundraising campaigns with free Facebook Fundraiser integration.
- **Run/Walk/Ride:** Turn your participants into advocates with all-in-one registration, donations, and fundraising.
- **Donation Websites and Forms:** Grow one-time and recurring donations with a 100% white-label solution.
- **Virtual Events:** Have to cancel your in-person fundraising events? Go virtual instead with our free virtual tools.
- **Virtual Challenge Fundraising Campaigns:** From miles walked, steps taken, or books read, engage your supporters with a unique virtual challenge.
- **And More:** Free email marketing, free easy-to-build websites, free social and digital marketing tools, free Facebook Fundraiser Integration, OpenAPI, easily exportable reports, free volunteer management, free sponsor management, free text messages, free domains and subdomains, and free photo platform. All of your supporter and financial data in one place - no more merchant reports and VLookups!

## SECURITY

---

- Secure PCI Level 1 Transaction Processing.
- Authorized Payment Facilitator. Our volume of transaction processing requires us to go through a rigorous certification process annually, which includes onsite reviews and scanning and vulnerability testing with an independent third party Qualified Security Assessor. For more information regarding our advanced security measures, please visit our website at <https://www.GiveSignup.org>
