

The Glen Lake Swim is a ONE and TWO mile professionally-timed swim race in picturesque Glen Lake in Goffstown, New Hampshire for experienced open water swimmers. In 2026 the event will take place on Sunday August 16th. The swim is organized by the **Granite State Health and Fitness Foundation**, a 501(c)(3) non-profit organization that supports local health and wellness programs, including aquatic safety. Contributions to the GSHFF are tax deductible.

Unlike a typical 5k road race, this is a unique event which has generated a great deal of publicity in all media, including print, television and digital. Visit our website for more information and coverage of our previous events:
