

2024 Equipment Rental Program and Agreement

Qualification Requirements

The rental program is only made available to nonprofit organizations who on their own will be self-timing their event. The equipment cannot be rented by a nonprofit organization, and then utilized at the event by anyone other than actual members of that nonprofit. Failure to follow this forfeits the deposit and excludes that organization from all current and future BGRC services (i.e. website and race calendar, newsletter, rental program, etc.)

Reserving the Equipment

The equipment will be temporarily reserved at the time in which it is established by BGRC to be available for the event date requested. The reservation is only guaranteed after a signed rental agreement and deposit is received by BGRC, no less than 30 days prior to the event.
