

Policy for Race Cancellations

Adopted by TCTC Board on February 11, 2018

Policy

If a Twin City Track Club, Inc. (TCTC) race is cancelled, delayed, or postponed for any reason outside the direct control of the Race Director (e.g. inclement weather; Local, State or National emergency; or conditions on the race course), refunds will not be given. Arrangements will be made for participants to pick up race shirts if applicable. At the discretion of the race director, offers may be extended to apply a portion of the race fees to a future race or event.
