SPONSORSHIP DECK

A Color Run for Courage, Community & Celebration

WITH GILDA'S CLUB SOUTH FLORIDA.

Gilda's Club South Florida is named after the late, great, and hilariously beloved comedian Gilda Radner, one of the original cast members of Saturday Night Live. When Gilda was diagnosed with cancer, she found strength in support groups and dreamed of a place where people facing cancer could laugh, cry, learn, and grow together. That dream became a reality with Gilda's Club - a haven of hope, healing, and human connection.

At Gilda's Club South Florida, we carry on Gilda's legacy with bold color, big laughs, and boundless compassion. We provide free support for anyone impacted by cancer, including patients, survivors, caregivers, and loved ones. Our clubhouse is a vibrant, welcoming space filled with workshops, support groups, educational lectures, social events, and healthy lifestyle activities. All of our programs are completely free of charge because cancer support should never come with a price tag.

ABOUT GILDA'S RACE FOR HOPE
