

## Fawn Lake Triathlon 2025

### Volunteer Information

#### General Instructions for Course Marshals and Volunteers

**Safety:** Safety is our #1 Priority. Please inform cars that approach, that the race is underway. Additionally, unsafe practices by any competitor will result in removal from the race-course as well as disqualification. This is especially important during the biking portion. If you see a competitor acting unsafely record the competitor number and report the behavior to Vic Culp who is acting as race referee.

There will not be a volunteer meeting. T-shirts and safety vest will be distributed ahead of time to those whose position warrants it. Please arrive at your respective volunteer position no later than the time posted above. However, if you are unsure of your task race directors are available anytime after 6:00 am on race day at the Community Center. We ask that volunteers at positions 22- 27, please park on Stonewall Jackson and ride the FLVG Parking team shuttle, or ride a bike or golf cart in order to alleviate any additional parking or traffic concerns while the adult race is ongoing. Please plan accordingly.

Attached is a map with your location shown and specific instructions for each leg of the race that you will be responsible for. Most of you cover multiple legs and races. However, a few will need to change location during race. At the end of every position description, you will find your release point. If you are unsure if the last competitor has passed or not, please remain in position until the trail golf cart has passed your location.

Paramedics will be on site to handle any medical issue. If you need to report an issue or an injury on the course call one of the following numbers. Syd Mapp (770)500-2038, Jeff Kramer (540)623-3033, Sharon Kramer (321)917-6301.

## Fawn Lake Triathlon 2025

### Volunteer Information

If you have any questions as to your duties, please contact one of the volunteer coordinators. (Mary Parsons, Syd Mapp, Bill Parsons or Jeff Kramer). Please bring a chair, shade, and any drinks or snacks that you may need. There will be refreshments available to volunteers at the hospitality center located at the circle in front of the HOA building. At the conclusion of the final race, it would help if you could return any race material back to the finish line at the community center.

THANK YOU for your time and participation!
