# Parking & Directions

717 Parking Enterprises and the Accardi family has generously donated the proceeds from our parking lots to support Miles for Moffitt and our mission to fund cancer research. For this special event, all parking lots in the graphic below will have a reduced cost of $15 per car where all fees collected through the 717 or Park Mobile app will go directly to help Miles for Moffitt. We encourage all participants to park in these 717 lots first to contribute to this important cause. These lots will be available to Miles participants from 4am to noon on race day. Payments can be made through the 717 app or at a lot kiosk.

This initiative is especially meaningful to the Accardi family. John Accardi says "It's important to support organizations that make a real difference in the fight against cancer. Through this effort, we hope to help others on their path to healing and recovery". Thank you for your support and for choosing to park with 717 as we work together to make a difference!
