

Dear Supporter of Rea of Hope and Reagan's Run,

We invite you to be part of something truly meaningful—the 5th Annual Reagan's Run 5K & 1-Mile Walk on Sunday, September 13, 2026, at Wilson Farm Park in Wayne, PA. Hosted by the Rea of Hope for a Cure Foundation, this event brings our community together in the fight against epilepsy.

Reagan's Run honors Reagan Monast, whose journey with intractable epilepsy and cerebral palsy continues to inspire many. Despite countless treatments, there is still no cure, affecting millions of families just like ours.

Since 2022, Reagan's Run has welcomed over 400 participants each year and raised nearly \$100,000 to support Rea of Hope and CURE Epilepsy, funding critical research and providing care packages for families at Nemours Neurology.

This year, our goal is to double last year's donation and expand our care packages with books and additional resources for families navigating a new diagnosis

We are seeking sponsors, raffle donations, and in-kind support to make this our biggest impact yet. Your generosity is tax-deductible and directly helps move us closer to a cure.

Thank you for being part of this journey—we hope to see you at the starting line.

With gratitude,

A handwritten signature in black ink that reads "Erin Monast".

Date: September 13, 2026
Registration: 8:00 am
Race Start: 9:00 am
Location: Wilson Farm Park
500 Lee Road, Wayne, PA 19087

ABOUT:

Reagan's Run and The Rea of Hope for a Cure Foundation honor local 14-year-old Reagan Monast, who lives with both intractable epilepsy and cerebral palsy.

There is NO CURE for epilepsy, and the funding for research is lacking, even though epilepsy affects more people than multiple sclerosis, ALS, Parkinson's and Cerebral Palsy – COMBINED.

Reagan's Run aims to raise awareness and funds for epilepsy research, as well as honor Reagan and the 3.4 million people worldwide and 16,900 children in Pennsylvania living with epilepsy. Proceeds will go to Rea of Hope AND CURE Epilepsy (Citizens United for Research in Epilepsy), whose mission is to find a cure for epilepsy by promoting and funding patient-focused research.

Reagan's Run is truly a community event, raising nearly \$100,000 since it began in 2021, with attendance well over 400 each year!
