RACE DAY INFORMATION

Start Time

Saturday 10M participants must start at 8:45 AM. If a 50K/20M participant plans to do the first loop with a 10M participant, they must start at 8:45 AM.

Cutoff Time

The course cutoff is 5:00 PM Saturday and 2:00 PM Sunday. 50K/20M participants should plan to complete each loop in 2 hours 50 minutes. Anyone who continues past the aid station close times accepts the responsibility to know the course and complete it without any support.

How to Wear Your Bib

Please wear your bib in front, visible, and horizontal to assure we get a good chip read for you. Keep away from metal (zippers) and electronics (gps watches and smartphones).

Distance Change/Drops

Participants are welcome to change event distance prior to the start of the race. If a participant drops from the race, they are welcome to a finisher medal that corresponds to the distance completed. Participants who drop are responsible for their own transportation back to their car.

If a participant drops, their result will show through the last timing point completed. If at any time you decide not to continue, please notify WRR staff.

Drop Bags

50K/20M participants can have a drop bag that will be accessible at the completion of each loop. Mark your bag with your name and bib number and bring it to the start. Your car can also be used as a personal aid station.

Restrooms

Restrooms are located inside the Lodge on the 3rd floor and at the Shower House Aid Station. There will also be two porta-potties outside the lodge so you don't have to enter the lodge during the race.
