If a participant drops, their result will show through the last timing point completed. If at any time you decide not to continue, please notify WRR staff.

Drop Bags

50K/20M participants can have a drop bag that will be accessible at the completion of each loop. Mark your bag with your name and bib number and bring it to the start. Your car can also be used as a personal aid station.

Restrooms

Restrooms are located inside the Lodge on the 3rd floor and at the Shower House Aid Station. There will also be two porta-potties outside the lodge so you don't have to enter the lodge during the race.

NEW Key Drop Service

Leave your keys with us while you run/hike. Fill out a tag and put your keys in the drop box near the start – pick up when you finish!

Bib Assignment

Bibs must be worn by the registered participant who was assigned the bib. Please wear your bib in front, visible, and horizontal to assure we get a good chip read for you. Keep away from metal (zippers) and electronics (gps watches and smartphones).

Results/Awards

Results will be posted/available live – scan the QR code on your bib. Overall winners are based on gun time. Age Group winners are based on chip time, and age group results are preliminary until awards are distributed. To be eligible for awards, you must cross the start line within 10 minutes of the start of the race. Awards will be handed out as participants finish.

Aid

Participants cannot accept any aid from anyone (crew, family, friend, Elvis impersonator, moving vehicle, bicycle) beyond 100 feet of an Aid Station. Absolutely no littering! You may not stash supplies along the course.

COURSE DETAILS

Course Markings

All course marking materials are WRR branded. These include alternating pink & blue ground flags and streamers, coroplast signs, and cones.

A course marker will be found about every 0.1 mile. After turns, there will be a sequence of 3-4 ground flags and/or streamers in the trees as confidence markers.

Off Course

If you go off course, you must backtrack/return to the correct path by your own means. You must start from the point where you went off course.

The RaceJoy app provides the ability to be sure you are on course as well as tracking capability.
