RACE ETIQUETTE

ANNOUNCEMENTS. Please listen to announcements at the start, on course and at the finish line. We ask that you pay close attention and follow instructions so that we can maximize your positive experience and keep you safe on race day. This includes doing your part to read your Athlete Guide and website so that you don't overwhelm staff and volunteers.

KNOCK, KNOCK. The portable restrooms are all around the start and course but of course there aren't 3,000 of them so you may have to wait a bit. Two things to do when using the facilities is to knock before you swing the door open, sometimes the runners are a bit nervous and they forget to lock. The second thing is to do your best to treat the facility like it is your bathroom at home because others have to use it after you.

LET THE FAST LINE UP FRONT. We assign your bibs according to your submitted estimated finish time. Don't harass the security and volunteers to line up in front of runners that are faster than you. If you want to run with a friend you can drop back to the slower corrals not the other way around. Race officials will be spot checking corrals, don't be that person that gets asked to go back to your corral because you snuck into the wrong one.

FAST PASS LEFT. Run like we drive in the US. The fast lane is on the left side of the road. On the race course, make sure you run to the right and pass on the left. A lighthearted shout to the runners ahead of you indicating you'll be passing is appreciated. Also, be aware of opposite direction runners. Both the Full and the Half Marathons have sections where runners may be approaching from the opposite direction. Please move to the side to give them the right away.

SAY NO TO DANCING LINES. Please run with only one friend at a time. Pack running is nice but we ask that you

not run or walk more than two runners abreast. Chit chat along the way is good but don't forget this is a race!

NO TEXTING AND RUNNING. We know that runners are great multi-taskers but running and texting shouldn't be practiced on race day. We know you'll be snapping pics and taking selfies but don't stop in the middle of the road to post to your Instagram story. Move over to the side of the road out of the way to upload your shots if you can't wait until the finish line.

KEEP THE VOLUME LOW. If you choose to wear headphones we ask that you wear only one side and keep the volume down. We ask this for your safety and for the safety of others around you. Not to mention we have music and spectators out there!

GRAB & GO! When you pass those water and Gatorade stations, don't stop to chat nor come to a walk if you were running. Squeeze that cup and hold it to your mouth and drink away while you move forward. If you must stop don't do it right in front of the tables, do it after you passed the volunteers and slide over out of the lane of runners. We ask that you do the same at the finish line, keep walking all way through the chute. Most stations should have Gatorade first and water second but sometimes volunteers switch things up on us in the midst of the excitement and busy time.

KEEP COASTAL DELAWARE CLEAN. The streets, sidewalks and neighborhoods are some of the most beautiful in the country. Don't litter them with the cups and gel packets. Take your trash and throw it away at the aid stations. Many of us like to carry our cups for a while. Just fold it up and hold onto them when you are done so you can toss it when you encounter the next station. And be kind to State Parks, you'll be running on beautiful trails and anything thrown on the ground may blow into the water or wetlands.

IT'S YOUR RACE BUT THERE ARE THOUSANDS OF OTHERS DOING IT TOO. We love that you have friends and family cheering you on but we ask that you keep them as spectators and not drag them through the final stretch of the race. We have bandit catchers ready to pull folks off for doing this. It is a safety hazard to pull others from the crowd to run in down the final hundred meters along the Rehoboth Boardwalk. If they want to run in with you so bad, have them sign up and train with you. It's your moment and thousands of other registrants around you as well. We don't want to ruin it by having them trip on one of your loved ones. If you know of someone that is planning on banditting (running without registering) the race, tell them they should consider registering because we will have spotters and police along the route to pull unregistered runners off. Also, receiving outside assistance could result in you being disqualified from the race.

BE INSPIRING. Some might be running their first race so they can use all the positive words of encouragement out there. Don't be afraid to say hi and maybe even strike up a conversation. We know some of the best friendships have started at races. We know this is a race but runners are generally quite the friendly competitors so if you are passing someone, a thumbs up or a simple 'Let's go' can inspire someone to push through that next mile. Don't just pass people quietly, the race is long they might be passing you later on and you might need their words to get to that line. Congratulate and hug those around you when you cross that line and most definitely say something if you see someone wearing their shiny Coastal Delaware Running Festival finishers medal out and about in town after the race.

ON COURSE SUPPORT

PORT-A-POTTIES

will be located at Start and Finish and near all water stops along the courses. Please respect our beautiful beach resorts and relieve yourselves only in a porta-pottie.

WATER STOPS, GELS & SNACKS

PACERS

Pacers will be provided for the Full and Half Marathons. To join a pace group, simply find the pacer in the appropriate corral before the race and introduce yourself. They'll be holding a sign with the pace group goal time and wearing a "Pacer" shirt. Pace groups are fun and strongly encouraged for those attempting to run a goal time. Pacers are not guaranteed for each group and are filled by Beast Pacing.

Half Marathon Pace Groups are:

1:35 (7:15/mi), 1:45 (8:00/mi), 1:55 (8:33/mi), 2:00 (9:09/mi), 2:15 (10:18/mi) 2:30 (11:27/mi), 2:45 (12:35/mi), 3:00 (13:44/mi) and sweeper

Marathon Pace Groups are:

3:00 (6:52/mi), 3:25 (7:50/mi), 3:35 (8:13/mi), 3:45 (8:36/mi), 4:00 (9:09/mi), 4:15 (9:43/mi), 4:30 (10:18/mi), 5:00 (11:27/mi) and sweeper

CORRALS

Only the Half Marathon will have corrals. Please seed yourself in the appropriate corral based on your pace.

Corral 1: 8:00 min/mile and Faster

Corral 2: 8:00 min/mile to 12:00 min/mile

Corral 3: 12:00 min/mile & Up.

You may move back to a different corral to join a slower pace group but please do not move up to a faster corral.

RACE BIB/NUMBER INSTRUCTIONS

Your timing device for this event is the IPICO UHF Tag. A single use bib tag.

In order to receive an accurate time, please confirm your bib is...

- Clearly visible on the front of your torso
- Unaltered and unmodified (Do not bend, fold or wrinkle)
- Pinned in all four corners
- Not Covered (jackets, runners belts, water bottles, etc.)

VERY IMPORTANT!

Please make sure you are wearing the bib that is registered to you.

Wearing someone else bib creates major issues to the event and possible the person wearing it. It is imperative that the registration data associated with your race number does in fact belong to you, the participant. If race organizers become aware that a runner has participated in one of our events with a bib that is not registered to that runner, both the runner AND the person whom the bib is registered will be prohibited from participating in subsequent Focus Multisports events for a minimum of two years.

Our past races have been marred by numerous participants running under the guise of someone else's race number. While this may seem harmless to the parties perpetrating the unauthorized bib transfer, it does convey serious consequences to the organizers and participant field alike.

From race results to finishers' awards being impacted as well as medical staff being able to correctly identify participants in need of treatment, it is imperative that the registration data associated with your race number does in fact belong to you, the participant.

ON COURSE SUPPORT

The Coastal Delaware Running Festival is proud to offer RaceJoy this year! RaceJoy is a GPS-based tracking app for those that carry their phone during the race that follows your progress in real-time as you run your race.

Download the RaceJoy mobile app
in advance to ensure proper phone setup. Invite your friends and family to track you and send you cheers!

Some key RaceJoy features include:

LIVE PHONE TRACKING

This is not an estimator and is based on the actual position of the participant's phone – your supporters know exactly where you are. Includes NearMe alerts and handy MeetUp feature.

GPS PROGRESS ALERTS

Receive progress alerts for yourself and others as you cross milestones along the course. Typically, alerts are sent at EVERY MILE, including location, pace, elapsed time and estimated finish time.

CHEERS

Your family and friends can send motivational, pre-recorded audio cheer clips or personalized Text-to-Cheer messages to race participants leading up to, during, and after the race.

To use RaceJoy, you must carry your phone and activate tracking on the day you complete your race.

[For more info on RaceJoy CLICK HERE.](#)

CLOTHING DONATION

If you leave your clothing or any other item at the start line, it will be collected and donated. Do not expect to be able to return to the start line later in the day to retrieve it.

FREE ON-COURSE PHOTOGRAPHY

You will be photographed several times throughout your race. Please remember to smile and have your bib number clearly visible so they will be able to identify you.

Participants will receive email notification once all photos are uploaded. Photos will begin uploading on race day and will be completed by Monday evening following the race.

Photos captured of you (by bib recognition) will be viewable on your **[individual results page here.](#)** You can also view all photos in the **[photo gallery here.](#)**

All wheeled devices with the exception of authorized push rim wheelchairs and running strollers are prohibited. This includes bikes, scooters, skateboards, rollerblades, etc. Music devices are permitted for use on course so long as participants are alert to their surroundings at all times.
