

DUPR 14 Teams - **Top 2 Teams from each pool advance to bracket play. *Please keep clipboards at their designated spot.*

- All games rally scoring to 21, win by 2, switch ends at 11. Scoring cap – 24-24 is a sudden death point. Servers do NOT switch spots on the court – whoever starts on the right stays on the right with the serve coming from the odd or even court to match the score. EXCEPTION: During a timeout or at the end switch at 11, partners may choose to change places.
- Tie breaker is like DreamBreaker – each player plays 4 consecutive points in singles and rotate in order until the game is complete. (Ask for a tournament director or pod captain to help keep score, not officiate.)
- 2 Timeouts per game EXCEPT Tiebreaker – 1 timeout per team.
- Coaching by non-playing team members is allowed at any time when the ball is NOT IN PLAY if it does not interfere with continuous play or unfairly disrupts the opposing team. ONLY players on the court may make the call – including the tiebreaker
