REAL IMPACT STORY

Lt. Dan, a tripod Weimaraner waiting in long-term boarding, attended a Walk for Weims meetup in Birmingham. During the event, he met a family who opened their home to foster him and later adopted him permanently.

Walk for Weims exists to help create more life changing outcomes like this for Weimaraners nationwide.

2026 GOALS

- Increase breed education opportunities
- Increase participating rescues
- Support additional hosted meetups
- Help create at least five new adoption or foster success stories
