Prizes

The more you raise, the more awesome the prizes you take home! Every dollar helps your school - and earns you amazing rewards along the way. Check out these fun prize levels and see what treasures await!

Students that raise \$25

\$25 Prize Level: an adorable, fluffy plush keychain toy.

Get ready for cuteness overload! When you raise \$25, you'll take home **an adorable fluffy plush key chain** - the perfect buddy to hang on your backpack and show off your fundraising power!

Students that raise \$50

\$50 Prize Level: Printed Dragon Egg with Dragon Inside.

Discover the magic! Crack open your **3D printed dragon egg** and meet the **mini dragon** waiting inside. It's the perfect combo of mystery and adventure - like hatching your very own mythical creature!

Students that raise \$100

\$100 Prize Level: a 5 Inch Squishmallow

Snuggle time! Score a 5-inch Squishmallow that's squishy, cuddly, and oh-so huggable. It's the perfect prize for collecting and hugging all day long.

Students that raise \$250

\$250 Prize Level: Lovely Plush Cat Doll Long Pillow (50 cm)

When you reach \$250, you'll earn a super-soft, extra-long plush cat pillow (50 cm of pure coziness!) Purr-fect for reading, napping, or just lounging in style.

Students that raise \$500

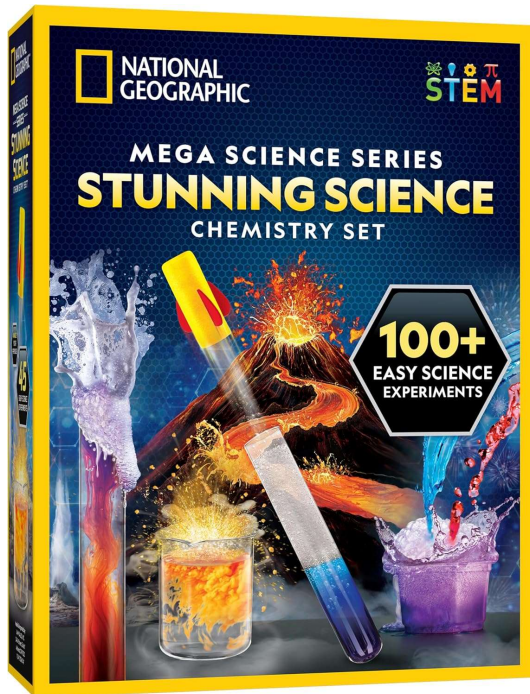

\$500 Prize Level: Kid Camera, rechargeable, 8.0 Mega pixels com with 32GB SD card.

Click! Snap! Smile! Capture your world in vibrant colors with this kid's rechargeable camera. Comes with a 32GB SD card so you can take endless selfies, nature shots, and fun group pictures. You'll be the class photographer in no time!

Student that raise \$750

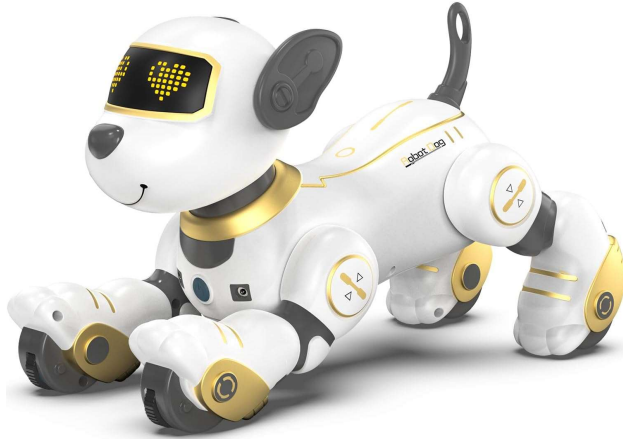

\$750 Prize Level: National Geographic Stunning Science Chemistry set.

Get ready to experiment like a real scientist! The National Geographic Stunning Science Chemistry Set lets you mix, fizz, and discover amazing reactions right at home. Science has never been this fun!

Students that raise \$1000

\$1,000 Prize Level: Programmable Robotic Puppy

Woof! Meet your high-tech best friend - a programmable robotic puppy that walks, dances, and follows your commands! It's the future of fun!

Student that raise \$1,500

You've reached the ultimate level! For raising \$1,500 or more, you get to pick your grand prize adventure!

Option 1: Drone with LCD Screen Remote Control, Real-time Transmission

Get ready to fly high and explore the world from above! This real-time transmission drone has an LCD screen remote, letting you see exactly what your drone sees as it soars through the sky. Capture cool videos, snap photos, and become your own pilot!

OR

Option 2: Harry Potter Hogwarts Castle and Ground Building Set

Calling all witches and wizards! Step into the magical world of Hogwarts with this epic LEGO set, featuring the grand castle, secret rooms, and even the Great Hall. Recreate your favorite scenes, cast spells with friends, and build your own Hogwarts adventure!

Top Fundraiser of the Eagle Trot 5K/1K Family Fun Run of 2025

Our highest fundraiser will receive the stunning **Kate Spade - The Weekender Bag!**

A beautifully designed travel essential that combines function and style. Perfect for sleepovers, road trips, and stylish adventures!
