### Cutoff Time

Participants must finish the race by 3:40 PM (5 hour 10 minute cutoff – based on a 23 min/mi pace, rounded up to the next 10 minutes). To stay on pace, participants should complete the first loop in 2.5 hours. Anyone who continues past this time accepts the responsibility to know the course and complete it without any support.

If at any time you decide not to continue, please notify a WRR staff member. If a participant drops, their result will show through the last timing point completed. Participants who drop are responsible for their own transportation back to their car.

### Bib Assignment

Bibs must be worn by the registered participant who was assigned the bib. Please wear your bib in front, visible, and horizontal to assure we get a good chip read for you. Keep away from metal (zippers) and electronics (gps watches and smartphones).

### Results/Awards

Results will be posted/available live – scan the QR code on your bib. Overall winners are based on gun time. Age Group winners are based on chip time, and age group results are preliminary until the award ceremony. To be eligible for awards, you must cross the start line within 10 minutes of the start of the race.

Awards for the Half Marathon will be handed out at the finish line.

All course marking materials are WRR branded. These include alternating pink & blue ground flags and streamers, coroplast signs, and cones.
