

VILLA PARK COMMUNITY SERVICES FOUNDATION

Be a Sponsor! Your Support Makes Our Events Happen!

Founded in 2002 by the City of Villa Park, this 501(c)(3) nonprofit organization enhances citizen volunteerism and organizes special events for the city. Villa Park, known for its vibrant community spirit; fosters fun, friendships, and volunteerism. We aim to provide safe, recreational, and educational activities for all ages while creating community spirit.

VPCSF events don't "just happen."; each one is financially supported by sponsors and contributing resident members on an annual basis. Sponsorships come from local businesses and organizations. We need your support with a tax deductible donation to continue to provide these community events. Please review the various benefits for each sponsorship to see how you'd like to partner with the VPCSF and the community.
