# Seattle Atatürk Unity Run/Walk 2026

## In Honor of May 19 - Youth & Community Unity

TACAWA proudly presents the first-ever Seattle Atatürk Unity Run/Walk, a community event designed to bring people together through movement, youth engagement, and shared values of unity.

Taking place in beautiful Gas Works Park and Burke-Gilman Trail of Seattle, this inaugural event will bring together the Turkish-American community and the broader Seattle community for a morning celebrating unity, health, and cultural connection.

The run is organized in honor of Commemoration of Atatürk Youth and Sports Day and is inspired by the legacy of Mustafa Kemal Atatürk, reflecting the belief that strong communities are built through cooperation and youth empowerment.

As the first event of its kind in Seattle, the Unity Run aims to become a lasting annual tradition that celebrates diversity, community engagement, and the spirit that brings people together across cultures.

### Community in Motion

The Seattle Atatürk Unity Run/Walk will be a family-friendly run and walk open to participants of all ages and fitness levels, bringing runners, walkers, students, and families together to celebrate youth, wellness, and unity.

The event will feature **community participation, youth and family engagement, opportunities for organizations to connect, and a welcoming cultural gathering**—creating an inclusive experience where everyone can take part and feel part of the community.

### Inspired by Atatürk's Vision

The Seattle Atatürk Unity Run/Walk is inspired by the vision of Mustafa Kemal Atatürk, whose leadership emphasized unity, progress, and the power of youth in shaping the future.

Guided by these principles, the event highlights the importance of coming together across cultures, encouraging civic engagement, and fostering a spirit of collaboration—reflecting values that continue to inspire communities today.
