

**Kevin D. Rice, Sr. Memorial Scholarship  
Rock Valley College  
Rockford IL**

Kevin D. Rice, Sr. is remembered as a dedicated father, friend, and public servant. A respected Rockford Police Detective, Kevin lost his life in the line of duty on August 3, 2001 while protecting his community.

Kevin served with the Rockford Police Department for 14 years, with his last seven years as detective in the Gang Unit. His commitment to service, family, and community continues to inspire all who knew him.

Kevin's legacy lives on through his wife, children, grandchildren, and extended family. His son Stanley, now a police officer himself, often shares that his father's example shaped both his career and the way he parents his own daughters.

Kevin's impact also continues at Rock Valley College through the **Kevin D. Rice, Sr. Memorial Scholarship**, awarded annually to students pursuing criminal justice. The scholarship honors Kevin's dedication to service and supports the next generation of public safety professionals.
