

COURSE OVERVIEW

The Lake Michigan Half Marathon starts and finishes at Cupertino Park and follows the paved Oak Leaf Trail south along the Lake Michigan shoreline.

From Cupertino Park, participants will head south through Milwaukee County's lakefront trail system, passing through or alongside South Shore Park, Bay View Park, Sheridan Park, Warnimont Park, and the Grant Park area before turning around and returning north to the finish.

The route is simple, runner-friendly, and built around the best parts of Milwaukee's south shore: parks, trail, fall color, and Lake Michigan doing most of the heavy lifting.

Final course details are subject to municipal and park approvals, because apparently we still need permission before sending hundreds of runners down the shoreline in matching bibs.
