RACE DAY INFORMATION

Start / Finish Time
The course will be open from 10:00 AM to 2:00 PM. You may start any time between 10:00 AM and 12:00 PM if you don't plan to participate for the full 4 hours.

Recording of Loop Times
There will be a separate start line and finish line to complete each loop. It is important to cross them in the correct order.

When you cross the start line, your loop time begins. When you cross the finish line, your loop time stops. You can then walk into the building, stop at the aid station, etc. This time does not count against you.

When you cross the start line again, your next loop time begins. You CANNOT cross the start, turnaround and come back, then cross the start line again. The scoring software will take the first time you cross the start line for each loop (starting at 10am).

Awards
Awards will be given for the fastest 3 loops (3x2 Mile) and for the most loops completed (4 Hour). We will do our best to keep the results updated throughout the day so you can continue running loops as needed to maintain your ranking! Awards will be announced at 2:00 PM.

Bib Assignment
Bibs must be worn by the registered participant who was assigned the bib.

How to Wear Your Bib
Please wear your bib in front, visible, and horizontal to assure we get a good chip read for you. Keep away from metal (zippers) and electronics (gps watches and smartphones).

Restrooms
There is limited restroom access in the lodge. Additional restrooms are located near the playground.

NEW Key Drop Service
Leave your keys with us while you run/hike. Fill out a tag and put your keys in the drop box near the start – pick up when you finish!
