Spectator Tips

- Arrive early. Roosevelt Park and the spectator zone get busier as start time approaches.
- The Oconomowoc Parkway spectator zone is the easiest place to see runners multiple times.
- Use RaceJoy to time your cheers so you do not miss your runner while buying coffee or debating a sign spelling.
- Stay off the trail. Keep strollers and dogs clear of the course, and follow volunteer or police directions at crossings.
- If visiting the Silver Cedar area, park along Oconomowoc Parkway and walk in. Do not park on Silver Cedar Road.

Where To Watch

The out-and-back layout makes DoLittle easy to follow. Pick one viewing spot or build a simple plan around your participant's distance. The two main spectator areas let supporters see some participants up to eight times.
