Updated 4/2024

We will have multiple timing points on the course. Please make sure you cross them on each lap.

Walkers – for your safety, we ask that you start once the runners have cleared the Start Line. This will help avoid any collisions. Please stay to the right as you walk, which will allow for faster runners and walkers to pass.

We will use a mass start to begin the race, but the Start Line will remain open for approximately 5 minutes after the mass start.

Course Marking

The course will be marked with cones, arrows, and turn signs. This is an out-and-back course with turnaround points clearly marked with 3ft-high sandwich board signs. When you see the sign that corresponds to the race distance you are running, you should turn around. The signs look like this:

Restrooms

Restrooms are available at the pavilion near the parking lot at Roosevelt Park. There will also be a restroom at the turnaround point near the Start/Finish Line and one restroom on course near the bag drop area. These on-course restrooms should ONLY be used for runners on the course and not before the race.

Aid Stations

There will be three aid stations on course:

- Lake Country Trail & Oconomowoc Parkway
- Lake Country Trail & Silver Cedar Dr
- Turn at the Start/Finish Line

Aid stations will have water, sports drink, and energy gels. While we do our best to recruit volunteers for our aid stations, runners should be prepared to use self-serve aid stations.

There will also be two on-course bag drop areas for you to leave your nutrition and hydration items. The first is located along the Lake Country Trail in Roosevelt Park. The second is located at the intersection of The Lake Country Trail and Silver Cedar Rd. Both sides of the path can be used, but please place them on the grass and not on the path. These are self-placement and self-serve bag drops. We will not be transporting bags on course. Don't worry, there is plenty of time and space for you to self-place your bag.

To access the location off of Oconomowoc Parkway, we recommend that you drive to the bag drop location before checking in at packet pickup, park on Oconomowoc Parkway, walk across the grass, and drop your bag -- please do not drive and park on Silver Cedar Rd.

Garbage

There will be garbage cans on course. Please help us keep the Lake Country Trail beautiful and place all trash in a garbage can.

COURSE TIMING AND EARLY START POLICY

As much as we'd love to spend endless time at our favorite race sites, our permits limit the time we can occupy the course. To comply with these restrictions, the course will close for the **final lap at 12:30 pm**, and participants will not be permitted to continue once the course is officially closed.

Early Start Option for Marathoners

If you're concerned about finishing the marathon within the allotted time, we're here to help you achieve your running goals! We offer an **early start** option for marathoners who need extra time.

- **Important Details:**

- Early starters will receive a chip time.
- Early starters are **not eligible** for age group or series awards.
- The course may not yet be fully set up:
 - Markings, marshals, police, and aid stations may not be in place.
 - The course will remain open to the public.
- Early starts are available **only for marathon participants**.

Important Rules:

 **Non-Marathon Participants:** Those starting early in other races will not receive an official time and will be disqualified.

 **Continuing After Closure:** Participants who continue after being asked to stop will also be disqualified.

Thank you for your understanding and cooperation as we work to ensure a safe and enjoyable event for everyone!

SPECTATORS!

This race is perfect for spectators! They can see marathoners at the start, 8 times on course, and at the Finish! We have an awesome spectator zone along the trail when the trail runs parallel to Oconomowoc Parkway. There is plenty of room at this location to set up support for runners.

RESULTS & AWARDS

Results will be live and available on the [race website](#) shortly after you cross the Finish Line (about 10 mins). Age group award medals for first – third place. Age groups are 0-14, then 5-year increments. We will have an awards ceremony for the 5K runners at about 9:00 am and the 10K runners at about 9:20 am.

We will NOT have an awards ceremony for the ½ Marathon or Marathon distances but will announce overall winners. Runners should check the results using their phones and are free to grab the medal awarded to them from the awards table.

Why are we not having a ½ Marathon or Marathon Awards Ceremony?

Due to the longer duration required to complete ½ Marathon and Marathon distances, it is challenging to coordinate an awards ceremony that accommodates all participants finishing at different times. This ensures that runners do not have to wait around to collect their awards. Runners can check the results on their phones and pick up their medals from the awards table.

Miss Your Award?

Medals can be picked up at the Silver Circle Global Headquarters the Wednesday following the race. They are located in front of the entrance door in a black bin. If you would like it mailed, you can order it to be shipped [here](#).

Silver Circle Global Headquarters Address:
1327 Wall Street, Suite B
Oconomowoc, WI 53066

SWITCHING DISTANCES

You can change distances prior to the event through [RunSignup](#) – just follow these easy steps:

1. Log into your RunSignup account.
2. Go to your profile.
3. Select “Manage Registrations” from the race you want to change distances.
4. Choose the option to “Switch Events” to change distances.

If you decide to change distances while running – for example, drop to the 5K distance from a 10K – no problem; just be sure to let our timing staff know about it when you cross the Finish Line.

TIMING

This is a chip start race, timed by Silver Circle. Your time will begin when you cross the Start Line and conclude when you cross the Finish Line. Please make sure your bib is on the front of your body and visible to our staff.

[Instructions on bib placement.](#)

MEDICAL EMERGENCIES

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist. There is an automated external defibrillator (AED) and first aid kit located on the timing van.

WEATHER

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement. Weather updates will be posted on Facebook.
