COURSE PREVIEW

- Course preview will be on Saturday from 8:30am – 10:30am

- The course will not be closed to traffic during the course preview but we are asking that all coaches, athletes, parents, etc. do NOT park on any part of the race course during the course preview. There is no parking on the grass or along side the park roads at any time. Cars must use the indicated parking lots or they run the risk of being towed. Please respect our athletes' safety and park in the designated parking lots shown below
- Recommended parking locations are:
 - The walk from the parking areas are $\frac{1}{4}$ to $\frac{1}{2}$ mile so please plan accordingly
- Team trailers / tents can be accommodated within the grass area near the finish line and swim exit – please do not attempt to drive into the park during our assigned course preview time to set up camp. Please do this prior to the course preview or after the course preview
- Athletes must follow the rules of the road during course previews. Riding or running in groups of more than two abreast is not permitted. Failure to follow traffic laws could result in disqualification from the event if observed by race officials, or USAT staff 6

PACKET PICK UP

- Packet pick up is available from 9:30 am – Noon at the white tent near the finish line. All packets must be picked up at this time unless you have made previous arrangements with the race director (please email j561058@yahoo.com if you need to make accommodations)

EXITING THE PARK - TEAM TENTS / TRAILERS

- After the Youth male event is done (in the noon to 12:15pm timeframe), there is a small amount of time (~30 min) for teams to remove their trailers and exit the race course
- The youth amateur race will require the course to be shut down to any vehicle traffic in the 12:45pm timeframe
- If you are not ready to exit prior to the 12:45pm timeframe, you will have to wait until the youth races are done in the 2:30pm timeframe
- As a result, please prepare throughout the day to be ready to exit at the prescribed time. Thanks for understanding

SAFE SPORT

As an event with minor participants, it is important to us that everyone feels safe and protected. The U.S. Center for SafeSport created the Minor Athlete Abuse Prevention Policies (MAAPP), a collection of proactive prevention and training policies for the U.S. Olympic and Paralympic Movement to help create a safer and healthier environment in which minor athletes can thrive. As a member of USA Triathlon and participant at a USA Triathlon sanctioned event, you are required to follow these policies.

The MAAPP focuses on in-program contact between an Adult Event Participant and a minor athlete and covers the following Required Prevention Policies: One-on-One Interaction, Meeting and Training Sessions, Athletic Training Modalities, Massages and Rubdowns, Locker Rooms and Changing Areas, Electronic Communications, Transportation, and Lodging. All Required

Prevention Policies must be followed by:

- Adult Event Participants who have direct contact with minor athletes
- Adult Event Participants authorized to have direct contact with minor athletes
- Adult Event Participants authorized to have authority over minor athletes

As the MAAPP will be enforced at Pleasant Prairie Cup Triathlon being held on May 30th / May 31, 2025, please review the MAAPP at a Glance in preparation for the upcoming event. Additionally, please review USA Triathlon's SafeSport Policies and References.

If you see or hear a report of any form of abuse, whether it is sexual, physical, mental or another type of abuse you are required to report that abuse within a 24-hour period. You can file a report to the U.S. Center for SafeSport through its online reporting form or by calling the U.S. Center for SafeSport at 833-587-7233 or USA Triathlon at trisafe@usatriathlon.org. If you have any additional questions or concerns, please email trisafe@usatriathlon.org. Thank you!
