## Course Info

Operation Finally Home uses the paved, public path that follows the Menomonee River. This is a fast and flat course.

### Course Marking and Closures

The entire course will be marked with signs and arrows.

### Restrooms

Porta potties are available at the park.

## Aid Stations

There will be one aid station on course at the 5K turn around point (1.55 miles) and one at the Finish Line. Both aid stations will have water. While we do our best to recruit volunteers for our aid stations, runners should be prepared to use self-serve aid stations.

## Awards

All participants will receive a custom finisher woodle from our race partner [Ridgeway Woodworks](#).

The overall male and female finishers will receive a custom [Ridgeway Woodworks](#) American Flag. The flag measures 24" x 13".

Top 3 male & female run finishers in 5-year age groups will receive a custom medal. The awards ceremony will be at the park, near the Start/Finish line.

## Timing

The run is chip timed by Silver Circle Sports Events with a chip start. Your time will begin when you cross the start line and conclude when you cross the finish line. Please make sure your bib is on the front of your body and visible to our staff.

[Instructions on bib placement.](#)

## Medical Emergencies

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station and a staff member will assist.

There is an automated external defibrillator (AED) and first aid kit located in the timing van located at the Start/Finish line.

## Weather

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement. Weather updates will be posted on Facebook.
