Bridle Trails

The first and last 2 miles of the course overlap with horse trails. event will be on shared trails, with horses having the right of way. If you approach a horse, slow to a walk and step to the side of the trail, announce yourself, and ask the rider for permission to pass. Move and speak calmly and slowly so the horse isn't startled.

Course Markings

All course marking materials are WRR branded. These include alternating pink & blue ground flags and streamers, coroplast signs, and cones.

A course marker will be found about every 0.1 mile. After turns, there will be a sequence of 3-4 ground flags and/or streamers in the trees as confidence markers.

Off Course

If you go off course, you must backtrack/return to the correct path by your own means. You must start from the point where you went off course.

The RaceJoy app provides the ability to be sure you are on course as well as tracking capability.

Watch for slippery surfaces such as wooden steps and bridges.
