PUSH-UP CHALLENGE

We invite all participants to join us and do 22 push-ups before the race to honor Project 22, which works to reduce the suicide rate among veterans. If everyone participates, we will donate \$1,000 to Operation Finally Home.

CALLING ALL VETS!

Are you a veteran? Please pick up a wristband from the pin table near packet pickup on race morning so everyone can recognize you and thank you for your service. We also invite all veterans to join us at the start/finish line during the national anthem.

PARKING FEE

There is a parking lot at the War Memorial, but there is a fee to enter. The lot will be closed at 8:30 a.m. and remain closed until the race ends. A good alternative is to park in a public parking lot, utilize street parking, or the parking lot at Veterans Park.

COURSE INFO

Start/Finish Line

The start/finish line is located in front of the War Memorial on E. Mason Street.

5K runners will complete one loop. 10K runners will complete two loops. Only run up the hill to cross the finish line when you are ready to finish. If you are running the 10K, do **not** run up the hill on your first loop.

The course is a little long. The 5K measures 3.37 miles and the 10K measures 6.26 miles.

Walkers – for your safety, we ask that you start once the runners have cleared the start line. This will help avoid any collisions. Please stay to the left as you walk, which will allow for faster runners and walkers to pass.

Course Marking

The course will be marked with cones, arrows, and turn signs. When you see the large “Turn Here” sign, you should turn, or you’ll end up in the lake.

Restrooms

Restrooms are available at the start/finish line inside the War Memorial Building.

Aid Stations

There will be one aid station on the course that 5K runners will pass twice, and 10K runners will pass four times. The aid station will be stocked with water and may be self-serve.

Garbage

There will be garbage cans along the course. Please help us keep the park beautiful and place all trash in a garbage can.

MEDICAL EMERGENCIES

If you see a medical emergency, call 911. If an athlete needs basic medical care, proceed to the nearest aid station, and a staff member will assist. There are an automated external defibrillator (AED) and first aid kit located on the timing van.

WEATHER

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement. Weather updates will be posted on Facebook.
