RACE SHIRTS

Unfortunately, we cannot hold race shirts for those who can't make it to the race – we simply don't have room for boxes and boxes of extra shirts. If you can no longer make the race and still want your shirt, please email us BEFORE the race so we can put it aside. Otherwise, we cannot guarantee we'll have a shirt for you after the race. More info here.

COURSE INFO

The course is flat and fast, utilizing the scenic Fox River Trail and Glacial Drumlin Trail. All runners will start at the E.B. Shurts Building in Waukesha.

- **All participants:** Head west on the Fox River Trail to the turnaround point at Sunset Drive, then return along the same trail to the Fox River Trail and Glacial Drumlin Trail intersection.
    - **5K runners**: Continue straight to the Finish Line.
    - **10K runners**: Turn around at the intersection, head back to the Sunset Drive turnaround, and return to the finish.
    - **Half Marathon Runners**: Turn **left** onto the Glacial Drumlin Trail and proceed to the turnaround just before MacArthur Road. Return along the Glacial Drumlin Trail to the Fox River Trail (**this completes one lap**) and turn **right**, follow it to the Sunset Drive turnaround, then head back to the Glacial Drumlin Trail.
        - The half marathon consists of **three laps**.
        - After the **3rd out and back** on the Glacial Drumlin Trail, turn **left** and head to the finish line.
        - Half marathon runners must begin their **final lap** by **11:00 AM**. Runners who have not started their final lap by that time will not be permitted to continue.

Course Maps

Walkers **–** for your safety, we ask that you start once the runners have cleared the Start Line. This will help avoid any collisions. Please stay to the right as you walk, which will allow for faster runners and walkers to pass.

Course Marking

The course will be marked with cones, arrows, and turn signs. This is an out-and-back course with turnaround points clearly marked with 3-foot-high sandwich board signs. When you see the sign, you should turn around. The sign looks like this →

Restrooms

Restrooms are available at the Start/Finish Line and there is one porta-potty on course located on the Fox River Trail where the trail turns away from Sentry Dr, near the old incinerator building.

Aid Stations

There are two aid stations on the course (see course map). All runners, regardless of distance will pass corresponding aid stations on the way out and once again on the way back after the turnaround points. Aid stations will have water (Orange Jugs), sports drink (Red Jugs), and energy gels (Half marathon aid station). While we strive to have volunteers at all of our aid stations, we cannot guarantee aid stations will be staffed. ***Runners should assume that aid stations will be self-serve***.

Garbage

There will be garbage cans on course. Please help us keep the trails beautiful and place all trash in a garbage can.

KIDDO'S 1K RACE

We will start the Kiddo's 1K race at 8:45 am. The race is free, but ALL kids must be registered and wearing a Kiddo's 1K race bib. If your child is not yet registered for the Kiddo's 1K race, please be sure to get them registered BEFORE race day morning. You can pick up your Kiddo's 1K race bib at the same time you pick up your race bib.

RESULTS & AWARDS

Your race time and age-group result are available online after you cross the Finish Line. The top male and female in each event will receive a custom overall award by Ridgeway Woodworks. All runners will receive a finisher woodle from Ridgeway Woodworks and the top 3 male & female finishers in 5-year age groups will receive a custom woodle. Age groups are 0-14, then 5-year increments. We will have an awards ceremony for the 5K runners at 9:40 am.

We will NOT have an awards ceremony for the 10K and ½ Marathon distances but will announce overall winners. Runners should check the results using their phones or check with the staff member at the awards table to get their award.

Why are we not having a 10K and ½ Marathon Awards Ceremony? With December temperatures and finish times spread over several hours, we don't want participants standing around in the cold waiting for an awards ceremony. Instead, we're making it easier for award winners to collect their award and head inside to warm up!

Miss Your Award?

Awards can be picked up at the Silver Circle Global Headquarters the Tuesday following the race. They are located in front of the north entrance door in a black bin. If you would like it mailed, you can order it to be shipped here.

Silver Circle Global Headquarters Address:
1327 Wall St. Suite B
Oconomowoc, WI 53066

Average Joe & Jane Awards

At every Chilly Willy Winter Run Series 5K, we celebrate the runners who finish right in the middle of the pack! Our Average Joe & Jane Awards recognize the male and female runners who land exactly in the middle of the 5K standings. Each winner receives a custom woodle, a special award T-shirt, and some well-earned recognition. It's one of our favorite race-day traditions, proving that you don't have to be the fastest runner to take home a great award.

Must be present to win!

FINISH LINE HOT CHOCOLATE

Meet your friends after the race for a quick warm-up at our hot chocolate bar. Complete with a huge selection of the tastiest treats, you'll find all you need to make a great cup of hot chocolate after a cold run. The hot chocolate bar will be located inside the E.B. Shurts Building.

SWITCHING DISTANCES

You can change distances prior to the event through **RunSignup** – just follow these easy steps:

1. Log in to your RunSignup account.
2. Go to your profile.
3. Select “Manage Registration” from the race you want to change distances.
4. Choose the option to “Transfer Event” to change distances.

If you decide to change distances while running – for example, drop to the 5K distance from a 10K – no problem; just be sure to let our timing staff know when you cross the Finish Line.

TIMING

This is a Chip Start race, timed by Silver Circle. Your time will begin when you cross the Start Line and conclude when you cross the Finish Line. Please make sure your bib is on the front of your body and visible to our staff.

Instructions on bib placement.

MEDICAL EMERGENCIES

If you witness a medical emergency, call 911 immediately. For minor injuries or basic first aid needs, medical kits are available at each aid station in a black bin located underneath the table. Please note that aid stations may not always be staffed, so participants should be prepared to access the medical kits themselves if needed.

An automated external defibrillator (AED) and an additional first aid kit are located in the timing van at the Start/Finish Line.

WEATHER

The event will be held unless severe weather occurs. In the event of severe weather, we will make an announcement to seek shelter and clear the area. All staff will also evacuate the area and will not return until the weather clears. We ask that you not return until we have made an all-clear announcement. Weather updates will be posted on Facebook.
