

## Partner With Us for the 13<sup>th</sup> Annual Chuck Wagon 5K

We are excited to announce the **Chuck Wagon 5K**, taking place on **Saturday, March 6, 2027**, at **Chain of Lakes Park**. This meaningful community event brings people together to raise awareness for childhood cancer and provide ongoing support to children and families facing this difficult journey.

With hundreds of runners, walkers, families, and community members expected to attend, the Chuck Wagon 5K offers a valuable opportunity for your organization to demonstrate its commitment to the community while increasing brand visibility.

We invite you to become an event sponsor. Your support will help fund essential event needs, including race logistics, participant safety, event t-shirts, refreshments, and family support initiatives. In appreciation of your partnership, sponsors will receive recognition through event signage, promotional materials, social media campaigns, and opportunities to engage directly with participants and attendees.

We offer flexible sponsorship levels and are happy to customize recognition opportunities to align with your organization's marketing and community outreach goals. We would be honored to partner with you in making a difference for families affected by childhood cancer.

Thank you for your consideration. We look forward to the opportunity to work together to create a successful and impactful event.

Sincerely,

Linda Roggenkamp  
President  
Brittany's Wish Inc.
