RACE DAY INFORMATION

Cutoff Time

Participants must finish the race by 5:00 PM (8 hour cutoff). Anyone who continues past the aid station close time accepts the responsibility to know the course and complete it without any support.

Distance Change/Drops

Participants are welcome to change event distance prior to the start of the race. If at any time you decide not to continue, please notify a WRR staff member. If a participant drops, their result will show through the last timing point completed.

Bib Assignment

Bibs must be worn by the registered participant who was assigned the bib. Please wear your bib in front, visible, and horizontal to assure we get a good chip read for you.

Results/Awards

Results will be posted/available live – scan the QR code on your bib. Overall winners are based on gun time. Age Group winners are based on chip time and are preliminary until the award ceremony.

Restrooms

There are restrooms at the Start/Finish and near Covered Bridge (Mile 4).

Drop Bags

You are welcome to have a drop bag for the finish line. Mark your bag with your name and bib number and bring it to the start of the race.

COURSE INFORMATION

Participants are encouraged to review the course map. Mo Spring 15k is a one-loop course. The 15k and the Half Marathon/Marathon courses are not the same—follow signage carefully after the covered bridge.

COURSE MAP

Course Markings

All course marking materials are WRR branded. These include alternating pink & blue ground flags and streamers, coroplast signs, and cones.

A course marker will be found about every 0.1 mile. After turns, there will be a sequence of 3-4 ground flags and/or streamers in the trees as confidence markers.

Off Course

If you go off course, you must backtrack/return to the correct path by your own means. You must start from the point where you went off course.

The RaceJoy app provides the ability to be sure you are on course as well as tracking capability.

Watch for slippery surfaces such as wooden steps and bridges.

AID STATIONS
