Course Info

Start/Finish Line

The start is on the path east of the parking lot. Look for the START banners and follow event-specific directional signs. The 2026 events include the Half Marathon, 10K, 5K, 5K Ruck, and Family Walk & Roll. Half marathon participants: watch for the lap/split signs. The half marathon completes two laps. At the end of lap one, turn right to start lap two—do not cross the finish line. After lap two, turn left to finish under the truss. Follow  signage for your registered distance.

The “Loop”

Half marathon participants: the small prairie-and-pine-tree loop is around mile 4.5 of the existing half marathon route and is completed on each lap. Follow the posted course arrows and marshal directions. See the current course maps on the RunSignUp race page.

Walkers

Walkers, Family Walk & Roll participants, and 5K ruckers: please allow faster runners to clear the start area. Stay to the left as you move along the course so others can pass safely. The Family Walk & Roll is a scenic one-mile loop; jogging strollers or all-terrain wheelchairs are recommended. Ruck participants carry a weighted backpack; choose a weight appropriate for your fitness level.

Course Marking

The entire course will be marked with cones, arrow signs, split signs, and mile markers.

Restrooms

Restrooms are available inside the building at packet pickup and there will be porta potties near the start line.

Aid Stations

There will be two aid stations on course with water and sports drink. The prior course layout places water near mile 1.2 for 5K participants, and near miles 1.2, 6.6, and 7.8 for half marathon participants; please follow race-day signage for exact locations and for the 10K. A self-serve bag drop is available on course near the half marathon turn/start of the second loop (see map).

Place your bag in the designated drop area before the race. This is a self-placement, self-service bag drop; bags will not be transported. Leave valuables at home. Follow any race-day staff instructions about the drop location.

Garbage

There will be garbage cans on course. Please help us keep Zachariah's Acres beautiful and place all trash in a garbage can.

Switching Distances

Need to change your distance, transfer, defer, or update a shirt size? Log into RunSignUp.com, open your Profile, select this race, and choose "Manage Registration." Available changes appear in that menu. If you switch distances during the event, notify the timing staff immediately after finishing so your result can be corrected.

Awards

Overall male and female finishers receive medals. The top three male and female finishers in five-year age groups receive custom medals.
