

Fire station egress must be allowed at all times.

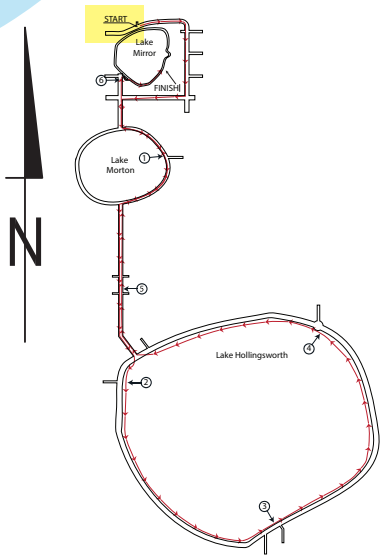

Stage all equipment and partcipants in the east bound lanes.

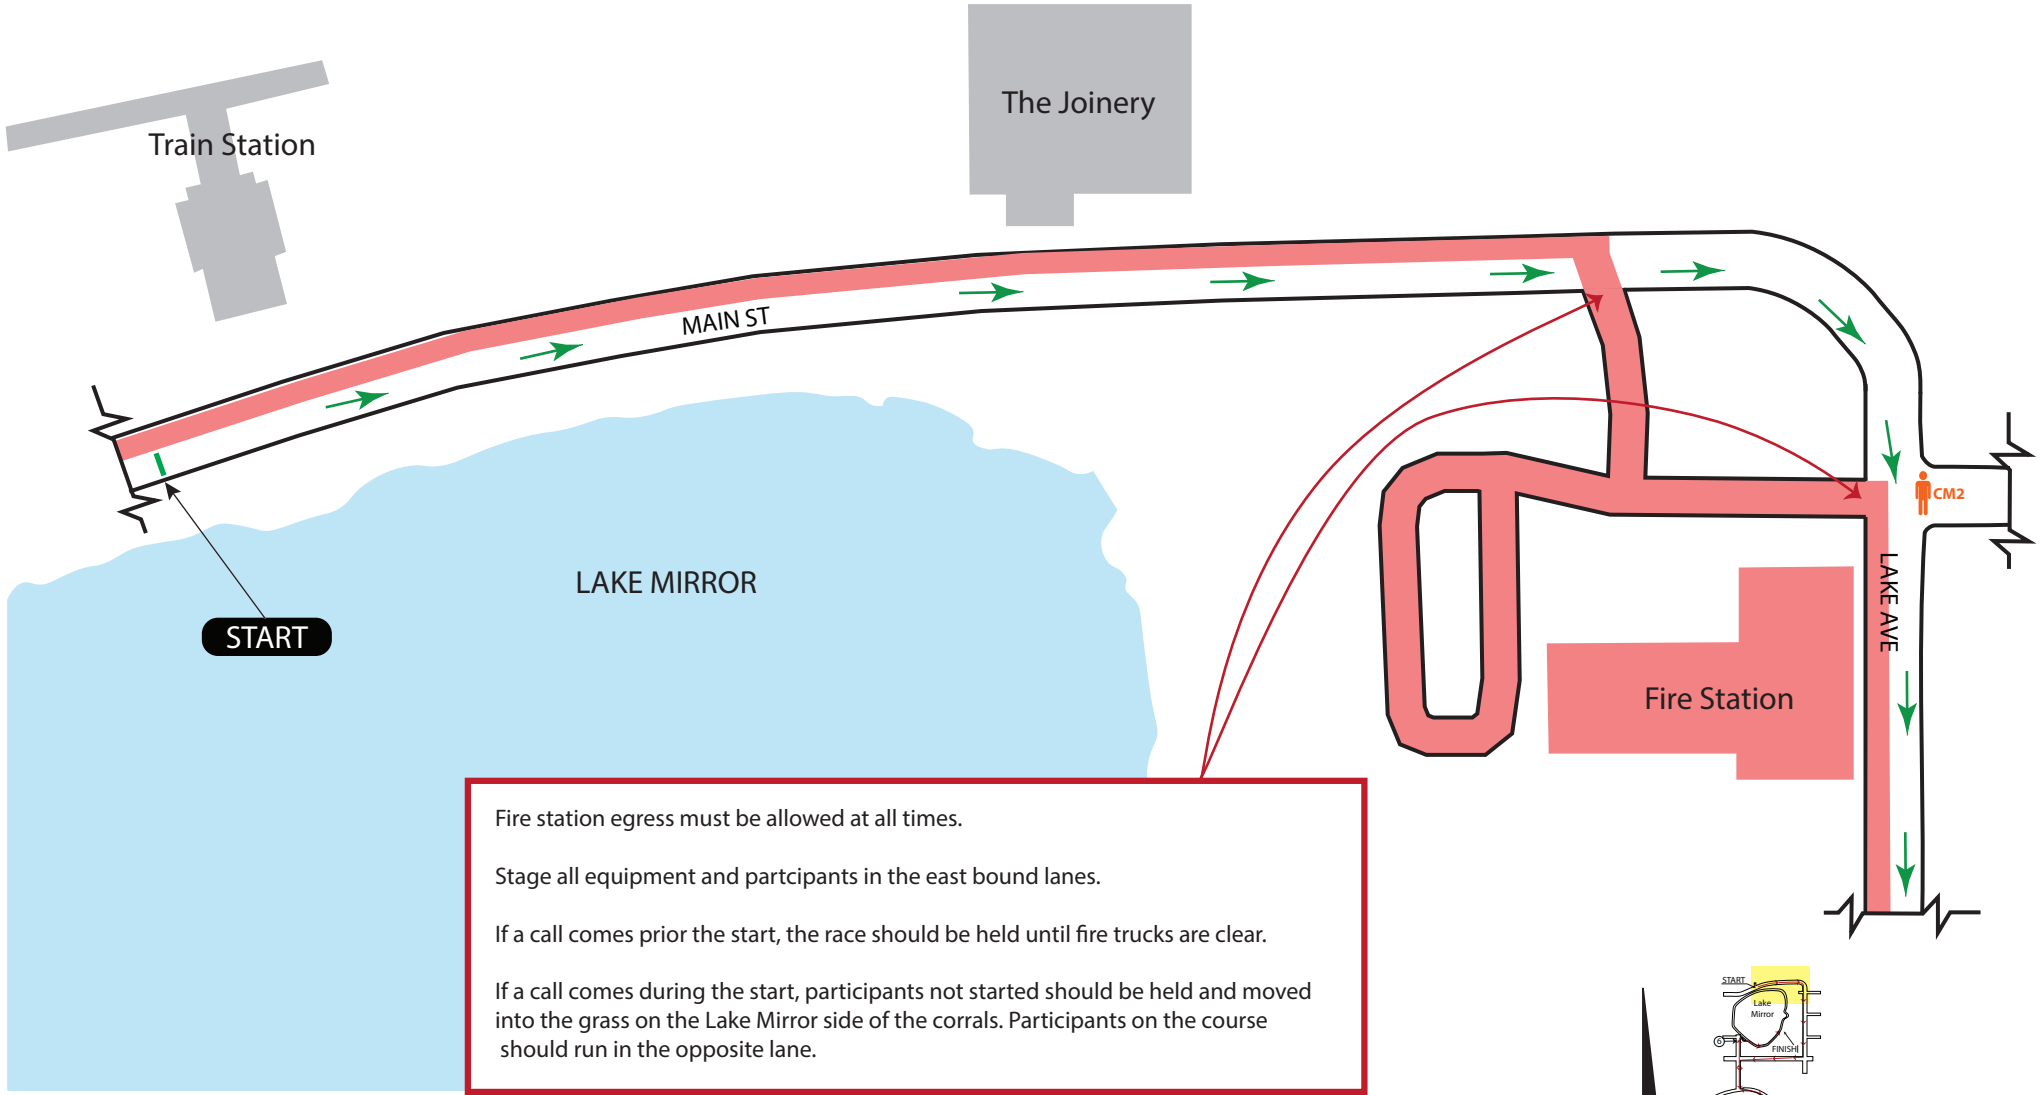

If a call comes prior the start, the race should be held until fire trucks are clear.

If a call comes during the start, participants not started should be held and moved into the grass on the Lake Mirror side of the corrals. Participants on the course should run in the opposite lane.

LPD - Close MAIN ST @ MASSACHUSETTS at 7:00 AM

CM1 - Facilitate any Catapult business access. Help move runners for fire truck egress.

Fire station egress must be allowed at all times.

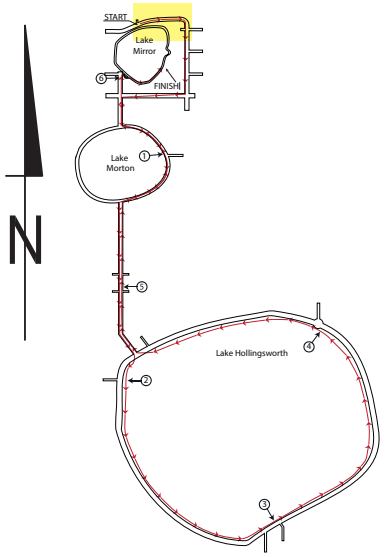

Stage all equipment and partcipants in the east bound lanes.

If a call comes prior the start, the race should be held until fire trucks are clear.

If a call comes during the start, participants not started should be held and moved into the grass on the Lake Mirror side of the corrals. Participants on the course should run in the opposite lane.
