Course Markings
All course marking materials are WRR branded. These include alternating pink & blue ground flags and streamers, coroplast signs, and cones.

A course marker will be found about every 0.1 mile. After turns, there will be a sequence of 3-4 ground flags and/or streamers in the trees as confidence markers.

Off Course
If you go off course, you must backtrack/return to the correct path by your own means. You must start from the point where you went off course.

The RaceJoy app provides the ability to be sure you are on course as well as tracking capability.

Watch for slippery surfaces such as wooden steps and bridges.
