## Our Mission

Founded in 2016, the Yorktown Triathlon Club (YTC) - a sanctioned club within the USA Triathlon organization - strives to support, mentor, and bring together endurance athletes of all ages and abilities in a friendly environment where all can learn, teach, train, race and socialize together.

## Yorktown Triathlon Club Grant Program

The Yorktown Triathlon Club plans to formally support 1-2 local youth/novice athletes through our YTC grant program. The club will provide a training plan to prepare each athlete to complete a sprint distance triathlon in 2019, mentoring/coaching from club members, assistance with borrowing or purchasing a bike, a free pair of running shoes, as well as covering the costs of their first local race.

**Eligibility:** In order to apply for this grant, you must be over the age of 18 or have approval from a responsible adult. You must also have your own transportation if you wish to meet with your training coordinator for specific training events.
