

## WHY YOU SHOULD ROCK & READ

Over 27,000 people use the resources of the Charlotte Mecklenburg Library branches every day. For every \$1 invested, the Charlotte Mecklenburg Library returns \$4.57 in direct benefits to the community. Tens of thousands of school children utilize library literacy programs and homework help each year. Over 6,500 Charlotte-Mecklenburg teachers rely on library resources for their classrooms. The library is the area's largest provider of internet access and the only access for over 70% of the 1.28 million library computer users last year.

Once again you will enjoy music at every mile of the race and a festival atmosphere following the event in front of one of our finest library branches. After finishing the race, join us for a wide array of entertainment including live music, food, drinks, beer and mimosas. Please invite friends and family to support you during and after the race. With music at every mile, a great cause to support, and activities for every age group, what are you waiting for? It's time to Rock & Read!
