Relay for Life...

Philosophy – Why We Relay

The American Cancer Society Relay For Life represents the hope that those lost to cancer will never be forgotten, that those who face cancer will be supported, and that one day cancer will be eliminated.

Why Relay?

At Relay, every person in the community has a chance to celebrate, remember, and fight back. And every person who participates joins others around the globe as part of this worldwide movement to end cancer.

No matter why you take part in Relay, however, one thing is clear: with every step you take, you are helping the American Cancer Society save lives.
