### the Cross of Inspiration

...is an outstanding focal point of interest towering sixty-three feet high on the top terrace of Greenwood. The prestressed concrete Cross carefully constructed of white cement has a cross-arm span of twenty feet and weighs twelve tons. It is a marvel of modern engineering in steel and concrete and has been erected

at a vista point which will forever overlook Greater Spokane and the hills beyond.

## Greenwood Memorial Terrace

☆ POINT OF INTEREST

## Riverside Memorial Park

Greenwood Memorial Terrace and Riverside Memorial Park are divisions of Fairmount Memorial Association and have been a part of this community since 1888. There is now an irrevocable Endowment Care Fund of over \$13,500,000. The Board of Directors of this non-profit association serve without compensation.
