Lake Woollomes, Delano, CA

Dear Community Partner,

Activitynut Foundation hosts several local events in the Central Valley at Woodward Park, The Clovis Trail, Millerton Lake, Huntington Lake, Lake Evans, Lake Woollomes, Lake Ming, and Shaver Lake. Our mission is developing an active and healthy community by connecting people with events, coaching, training, and local stores.

The goal of our events is to get people outside, moving and having fun. Grapes of Wrath Triathlon offers a 5k Run, 10k Run, Duathlon (Run-Bike-Run), and a Triathlon (swim-bike-run).

This event is sanctioned by USA Triathlon. Participants compete for points in National Rankings. Grapes of Wrath is a fast and flat course which competitors statewide eye for increasing their scores. In addition to the National Rankings, participants also receive a spinning medal, race shirt, and a special award for 1st, 2nd, and 3rd place within their age groups.

We are currently seeking both event sponsors and donations which will help us provide the best event for the community and help us with our mission.
