

# MY PLACE TO RACE ACTIVITY LOGGING INSTRUCTIONS

Welcome to the 2021 My Place to Race 40-Day Challenge. Together we will take a 40-Day VIRTUAL TREK to walk hand-in-hand through the peaks and valleys of our road to physical wellness—however that may look. Within 40 days your mission is to travel 40, 80 or 120 miles in the name of physical and spiritual wellness.

You can run, jog, or walk on the road, on the trail, on the treadmill, at the gym or on the track. If you are cycling the challenge you can do your miles outside on your non-electric two-wheeled bicycle, or inside on your stationary bike, Peloton or elliptical machine. You can even substitute 20 minutes of exercise for 1 mile. You get to complete your own race, at your own pace, and track it yourself. You can mix your miles between any of the activities. The activity type will show in the results.

**NOTE:** You have selected a goal distance for the 40 Day Challenge. When you reach your goal, you can be done, or if you want to keep going, KEEP GOING! You can tally activities and miles past your goal. We will have milestone badges set up for your goal distance as well for those who are a bit more ambitious and do more. NOTE: We can upgrade (or downgrade) you to a new distance, however when we do so, the activities you have logged to date will be lost. Best bet is to keep going with the distance you selected and surpass the goal.
