Course Markings

- Since this is an all-day event and the park is open to the public, we will not be physically blocking off any trails.
- The course will be marked with hanging tape or surveyor flags on the **Right** side of the trail at least every .08 miles (within line-of-sight), but more frequently close to turns.
- Turns on the course will be marked with small Turn Signs like the ones pictured here. This course is very easy to follow with the amount of markings we have used!
- We do not use many Wrong Way signs, but in areas where your first instinct would take you the wrong direction, we have placed one or two of those signs.
