

Thank you for signing up for the inaugural Sundown XC! We are very excited to bring you this unique event and look forward to it becoming a Colorado staple for years to come.

DIRECTIONS AND PARKING:

The entrance to Aurora Sports Park is at [19300 E Colfax Ave, Aurora, CO 80011](#). Heading East on Colfax you will turn right (South) on Dunkirk. From there, you will follow signs for parking. The event is being held on the Southeast portion of the park.

PACKET PICKUP:

There will *only* be race day packet pickup. Shirts and bib numbers can be picked up on race day starting at 6:30pm.

Participants will be issued the T-shirt size that they ordered. They will be able to swap it out after their race as supplies last. T-shirts must be picked up on race day to be guaranteed their correct size.

INCLEMENT WEATHER:

In the event of inclement weather, updates will be made to the homepage of [Sundown XC](#). Any changes to the timeline will be emailed through RunSignUp and announcements will be made on-site.

EQUIPMENT/COURSE:

Aurora Sports Park has asked runners to **not wear metal spikes**. Please adhere to this request.

The course will mostly be on grass but will cross over road, gravel and cement paths. Turns will be marked with flagging and course marshals will be present at major points along the course. There will be a lead bike to guide the runners.

Spectators will be able to watch from the pavilion and on the hillside. We ask that you consult registration and/or event staff before setting up a tent. PLEASE DO NOT STAKE ANYTHING INTO THE GRASS.
