CAMP INFORMATION

Through group runs, guest speakers and group activities, each runner will leave with a positive attitude, tools to become an improved runner, and a better understanding of running. The XC camp will be held Tuesday, July 27th through Saturday, July 31st from 8am till 11:30am at Shore Middle School in Mentor, Ohio. The camp is open to boys and girls kindergarten thru 12th grade. While being able to utilize the schools facilities, the camp also features an outdoor amphitheater for group activity, a cross country course, access to a Lake Metropark, miles of bike paths, and rural trails through the Mentor Marsh for training. The Greater Cleveland XC Camp is aware that our campers represent a wide variety of talent, motivations, and experience and we are prepared to tailor our camp to each person's needs. We hope each camper leaves with the love and passion that the staff at the Greater Cleveland XC Camp has. This year's camp will be the 18th edition of helping young people get better in the sport of cross country.
