

## ST. Patrick's Day Corned Beef Hash Run

Start at Reynolda Village parking lot and follow Padraig's path, stop at all **4 Shamrock Locations** along the route. Look to add a green accessory item from each location to enhance your "green bling" and your green running attire. You will also need to collect **one coin** from each shamrock stop to end up with a pocket full of **4 coins** to add back to Padraig's pot of gold at Dough-Joes. Remember, in exchange for your collection of coins you will receive a special *sweet treat* from Dough-Joes so remember to head over there afterwards.
