Course Directions: The 5K course starts on Gateway Plaza at the west end of the Continental Bridge. It proceeds east across the bridge to the turnaround point #1; proceeds back west across the bridge; turns north and northeast on the entry trail to the Trinity Skyline Trail; proceeds into the Trinity River bottom by heading southeast down the concrete ramp; proceeds south, east, north, and west on the concrete Trinity Skyline Trail to the turnaround point #2; proceeds back east, south, west, and north on the concrete Trinity Skyline Trail heading back up the concrete ramp; turns southwest and south on the trail leading to the Gateway Plaza and finishes on the Gateway Plaza.

- Start** - On Gateway Plaza at the entrance to the Continental Bridge, 20' 5" west of the west edge of a green "Trinity Skyline Trail" sign located on the north side of the plaza just west of the Continental Bridge.
- Turnaround**- On Continental, 21' 3" west of the center pylon located in the middle of the street west of Core Street.
- 1 Mile**- On the Continental Bridge, 4' 10" east of the east edge of the second white/silver light pole located on the north side of the bridge just east of the west entrance to the bridge.
- 2 Mile**- On the Trinity Skyline Trail, 262' 9" west of the southwest leg of a green metal park bench located just west of the Trinity River bank and northwest of the 911 TSK 423 sign.
- Turnaround**- On the Trinity Skyline Trail, 48' 9" east of a green 911 TSK425 sign located on the north side of the trail and east of the west Trinity River levee.
- 3 Mile**- On the Trinity Skyline Trail entry ramp, 40' directly southwest of a stop sign located on the west side lower perimeter road just north of the Continental Bridge.
- FINISH**-On the Gateway Plaza, 33' 7" southwest of a "No Vehicles on the Bridge" sign located on the north side of the plaza and the mark is also 75' 6" west of the west end of the beige concrete railing of the concrete bridge.
