

Vergennes Day 2020 - 15K Course Directions

All Vergennes races begin & end at the Vergennes Union Elementary School. Please note you will be running against traffic where all the mile markers are located. Our virtual window begins Saturday August 1st and ends Saturday August 31st. We encourage you to run the actual course and have provided the turn-by-turn directions below.

The start line is located at the crosswalk at the driveway exit of school parking lot where it intersects with East Street. Proceed north to **Short Street** which is the first **left turn**. Continue on Short Street to the end where it intersects with **Maple Street**. **Turn left** (south) on Maple Street.

Continue south on Maple Street through the 4-way stop sign to **Mile one** located at the mailbox #202. Continue south on Maple Street.

Mile two is located near the end of the wire fence line just before the intersection with Route 66. **Turn left** (East) onto **Route 66**. Continue uphill on the most challenging portion of the course

Mile Three is located at the crest of the hill just across from the pull-off parking area. Notice the survey flagging on the tree which is the location of the mile marker. Continue downhill to the end which is **Green Street** then **Turn Right** (south).

Continue south on Green Street running on the left side of the road. **Mile four** is located by an open area without houses and is marked on the road. Continue south on Green Street

Mile five is located 100 yards before Route 17 intersection by a utility pole marked with survey flagging & is notated on the road. Continue to the turnaround point just before Route 17 opposite a signpost and notated with a painted arrow on the road. **Turn around** and run north **on Green Street**.

Heading north running on the left side of Green Street you will pass a maple sugar house and a couple of open fields. **Mile Six** is located north of the last house and is marked on the road.
