

About Us

Fiorenza's Food For Friends (F4), is a 501c3 non-profit organization of the Commonwealth of Pennsylvania that was formed in Chester County for the sole purpose of fighting hunger in our area. Chester County is our home and we believe in fighting for our home.

As an organization, we are approaching 500,000 pounds of food transported to recipients in need. According to the Coalition Against Hunger's 2013 study, 10% of residents, and 14% of the children, in Chester County are food insecure. Food insecurity is defined as any individual that at times lacks access to enough food for an active, healthy life(www.hungerreportpa.com).

Help combat this problem by supporting us in the "Dash F4 Hunger". We hope to see you on race day!

Check out all the details of our amazing day to raise funds and awareness for the homeless shelters and food pantries in need at:

F4's Mission

F4's mission is to create "Hunger Awareness", inspire others to take action, and provide an avenue to assist those in need. F4 serves those in need through several different facets.

F4 fights hunger through our 3 E's: Education, Engagement, and Eradication. We believe in educating companies, individuals, families, and society as a whole about the causes of hunger and where help can be found. We believe in engaging volunteers and sponsors that support our cause and want to assist us in our efforts. We work towards the eradication of hunger through the following avenues: investing our time in collaboration with local food agencies (shelters/pantries) to rescue food from restaurants, and supermarkets. We coordinate non-perishable food drives with companies to benefit local food pantries. And finally, we have a program for volunteer cooks and restaurants to prepare warm meals for homeless shelters in need. .

F4 does not accept local, state, or federal funds. We do not charge membership or transportation fees to recipients receiving food from our organization. F4 strives to keep all food donations local.

Join us and run or walk the "Dash F4 Hunger" to combat a serious problem in our community and make a difference in someone's life!
