

HELLO EA2EVL RIDERS!

Thanks for signing up for the ride and supporting the effort to help create, build, and maintain what will be the most beautiful multi-use recreational trail in Western New York, the Erie Cattaraugus Rail Trail. We can't build the trail without your support and are well on our way to reaching that goal. We know fundraising is hard work and truly appreciate you securing donors for the event. This guide will give you all the details for the ride with specifics on parking, registration pickup, party info, schedule, course info, and more. We have a fun and safe course planned with plenty of breaks on the way.

Remember, this is not a race! Enjoy the ride; the rider that "wins" is the one that has the most fun! From the organizers and board members of the Erie Cattaraugus Rail Trail, we truly appreciate you signing up for the ride and plan for a great day out on the road.

PARKING AT THE START - EAST AURORA

VERY IMPORTANT!

Please Park in North End of the Lot.

Everyone must park in the Fisher Price lot and not in the other public or private lots around the Village of East Aurora. In order to hold the start in East Aurora we had to assure the Village officials that our participants would all use the Fisher Price Parking lot. Thank you for your understanding and compliance with this request as we may not be able to hold the event in future years if we do not follow this request.

Parking lot will be open at 8 AM on Saturday and is available for overnight parking until noon on Sunday. The exit gate is automatic and will open when cars approach.

PARKING AT THE FINISH - HOLIDAY VALLEY

There is plenty of parking at Holiday Valley Resort if you would like to leave a car for the ride back to East Aurora. Please park in the upper lot of Holiday Valley indicated by the shaded area on the map. We ask that you do not park in the No Parking area as that is where we will have the finish line and after-party set up.

PACKET PICKUP / BAG CHECK

Packet pickup is inside 42 North Brewing at 25 Pine St., East Aurora from 8:00 AM to 9:45 AM. Riders will receive their ride numbers, fundraising premiums such as t-shirt or jersey, as well as food & drink tickets for the after-ride party. Restrooms will be available inside 42 North Brewing.

There will also be a bag check at packet pickup if you would like to get a change of clothes to the finish line. Look for bag pickup after you finish near the entrance to the party.

COURSE

Our 42 mile course from East Aurora to Ellicottville runs parallel to the proposed trail. Look for the signs in a few spots that point out future site of the trail.

VERY, VERY IMPORTANT!

The course is open to traffic and riders must obey ALL traffic laws. Please obey all stop signs, traffic lights, and stay to the right on the road. Please ride single file and avoid riding two abreast on narrow sections of roadway. Riders must obey the rules of road and pay attention to traffic right of ways.

If riding in a group, don't attempt to stop traffic for the group, please wait until traffic is clear as our permits with the State, County, and local municipalities for the event depend on everyone obeying the traffic laws.

Every turn on the course will be marked with white arrows and directional signs. We will have volunteers at key intersections to act as course pointers. The course pointers are there to make sure riders are going the correct direction and they will not be directing or stopping traffic. Fortunately, our course is lightly traveled and has very few turns but we want to make sure everyone remains safe.

TECHNICAL SUPPORT

Helmet use is mandatory for the ride. Please be sure you have a helmet that fits properly before ride day.

There will be tech support on the course provided by Tom's Pro Bike. Tom's will have mechanics at the start to provide minor last-minute repairs and will have vehicles on course if you develop a mechanical issue. Please check your bike well ahead of the ride to make sure it is in good working order; don't wait until the day before the ride. Tom's Pro Bike has locations around the Buffalo area to service your bike. Please see their website for locations and contact information: www.tomsprobike.com.

If you are having a mechanical issue during the ride, please mention it to a volunteer at a water stop or call 716-222-0265 if you are not near a stop and we will send a mechanic from Tom's. Please keep this number with you as it can be used if you have any issues during the ride.

WATER STOPS

The ride will have three water stops stocked with sports drink, energy snacks, and water as well as restrooms at the following locations:

- Colden Town Hall (8812 State Rd., Colden) – Mile 11.5
- Wendel Farms – Mile 20.6
- Ashford Community Center – Mile 30.5

AFTER-RIDE PARTY

The after party starts at 1 PM with the band Never Ben taking the stage at 1:30 PM. For riders that reached the minimum fundraising goal of \$100, food and drink tickets for one food item and one 42 North beer will be distributed at packet pickup in East Aurora. The party is open to everyone, so bring your friends and family. The more the merrier! Food and drink tickets can be purchased on site at the party.

TRANSPORTATION BACK TO EAST AURORA

If you purchased the ride back to East Aurora from Ellicottville we have arranged for bus transportation to leave at 2:30 PM and 5:15 PM. Look for the bus and signs right near the finish line. Your bike will be sent in a van following the bus protected by furniture blankets. To help us with planning you must sign up ahead of time through the registration system. Please go to your Givesignup.com account to add the transportation option by 9/28 if you did not sign up during your initial purchase.
