AOH St. Patrick's Div. 2, Babylon NY presents

Inaugural Half-Way to St. Patrick's Day 5K Race

Saturday, September 25, 2021

Proceeds to benefit Town of Babylon Food Pantry and United Veterans Beacon House

The Ancient Order of Hibernians:

The Ancient Order of Hibernians in American (AOH) was founded in 1836 in NYC. Our roots, however, are found in Ireland dating back 300 years. Since then we have continued to grow and prosper until the AOH has become the largest and most influential body of people of Irish lineage in the world. The AOH is THE American fraternal organization of individuals of Irish descent and strives to promote friendship, unity and Christian charity among its members.

The Event:

Our 5K Half-Way to St. Patrick's Day 5K Race will be a family and community friendly 5K Race using the roads and parks in Babylon Village.

Please note the attached map and timelines. We have organized the route as to have a minimal impact on the residents and businesses in Babylon Village.

How does this event benefit the community?

We are targeting a broad demographic. From families and athletes of all types, a 5K Race is community centric and brings people to the village who might not have otherwise visited. The expectation is that the event will drive repeat business to our local merchants and support the sense of civic pride that already exists. We handle all of the logistics before, during and after the event, including but not limited to:

Registration, coordination of the media, advertisement, insurance and permit issues.

Local Business Partnerships:

One of the most effect ways to reach prospective customers is through advertisement of the services or products a business offers. This can be both very costly and time consuming for small business owners. The Hiberian 5K Race and the Strong Island Running Club offer the opportunity for businesses in Babylon to advertise before, during and after the event, driving customers your way.

Charitable giving initiative:

We believe in giving back to our community, as such, we actively encourage and facilitate donations by our participants to the following charities:

Town of Babylon Food Pantry:

The Town of Babylon Department of Human Services has a food pantry that supplies emergency food on a monthly basis.

TownofBabylon.com/183/Food-Pantry

United Veterans Beacon House:

Founded in 1994, Beacon House assists over 800 veterans and veteran families each year providing the support and specialized services needed for their return to independence.
