Waiver and Release of Liability/Photo Release (Must Be Signed):

KAFC refers to the *Kazoo Area Foot Chase* running/walking events held on behalf of Michigan Concerns of Police Survivors (MI-C.O.P.S.). I want to participate in the KAFC on September 6, 2014. I realize that my participation in this event entails the risk of injury or even death. I further understand that it would be prohibitively expensive for the race organizers to carry insurance to cover all that might happen in this event, and that if I insisted that all the risks to me be covered, the race would have to be cancelled. I want the race to go on, and therefore, I sign this waiver to induce the organizers to stage the KAFC.

Race conditions: I realize that the course for the KAFC presents a number of potential dangers to me, and I hereby assume the risks arising from all of them. I realize that I will be running on a variety of surfaces, some of them far less than perfect, including but not limited to roads, sidewalks, parking areas, recreational pathways, unimproved trails, fields, hills, as well as over, around, past and through a number of obstacles, some of them far less than perfect, including but not limited to fences, guardrails, buildings, stairways, curbs and ledge drops. The roads and parking areas are open to motor vehicle traffic that has the right of way. I realize that the danger of injury and even death exists as well, and I hereby assume all the risks that may be present on the KAFC course and release the KAFC organizers, volunteers, presenters, exhibitors, course property owners and MI-C.O.P.S.

My physical condition: I realize the KAFC is a strenuous athletic event. I certify that I have no physical, medical, mental or emotional condition which would interfere with my participation in the KAFC, and that I have trained adequately for this running event.

My duty during the race: I realize that I have the sole and ultimate responsibility for my own safety during the KAFC, and that if I see a situation and or condition which presents risk of injury to me, I will avoid the situation and or condition or immediately withdraw from the event.

Waiver of liability: I hereby waive for myself, my heirs, executors, and all other successors of interest and release any and all rights and claims for any foreseeable and/or unforeseeable personal injuries that I may sustain during the course of this event which I may now have or hereafter accrue against the organizers, sponsors, assistants, volunteers of this event, exhibitors and presenters, including MI-C.O.P.S., its officers, agents and members, all other entities and people who may issue permits for or help with this event, and against all property owners of land over which the KAFC course may pass including the event host site. I make this waiver for all the rights and claims that have been specifically referred above, and for all others that might not be specifically named.

Binding Contract: I agree and intend that the above recitations are contractually binding and if I or my successors assert a claim in contravention of this agreement, I or my successors shall be liable for the expenses (including all legal fees) incurred by any and all other parties in defending. I further agree that this contract can be modified only in writing.

Photo Release: I hereby authorize the KAFC and MI-C.O.P.S. to use any images of me captured by any medium on the day of this event, either before, during or after the event, in any future newsletters or publicity materials including but not limited to websites, blogs, emails and/or online social media sites as the KAFC and or MI-C.O.P.S. sees fit. I hereby waive and release any rights I may have over any such images.

Under 18: As a parent or guardian of the above named minor, I hereby certify that I have read all of the above document, that I give my permission for my child or ward to participate in the KAFC, and that I agree on behalf of myself and my child/ward to the terms of this document.

I have carefully read and I fully agree to all of the terms of the waiver as listed above:
