## ***General Information:***

✓✓ ***Due to the holiday business hours with event vendors, Race Management based our order on historical trending of shirt sizes, we try our best to make sure we order enough shirts for everyone who desires one, this is not always possible based on the need to order the Shirts in advance. Each year it is getting more difficult to gauge the number of shirts needed based on trends of registering later in the process. We apologies in advance and will be happy to take your size down and order a shirt for you.***
